"This project creates and fosters true urban transformation in the heart of our County. New residential, retail, office and hotel construction will create a vibrant mixed-use community enhancing the adjacent Illinois Medical District and Chicago's near West Side."

Toni Preckwinkle  
Cook County Board President

"The Cook County Renovation project will be vital to the residents of the west and south sides of Chicago which I have the honor of representing. Engaging the community through workforce development allows individuals opportunities through high level advocacy efforts that will lead to economic development and empowerment."  
Dennis Deer  
County Board Commissioner, 2nd District

*Each contractor is responsible for making its own hiring decisions. Cook County, Cook County Health and Hospital Systems, Walsh, MB Realty, Communities Empowered Through Construction, and Target Inc. are not the employer and do not participate in the employment decisions of any of the contractors.*
